The publication by Prof. Dr. jur. Dorothee Frings presents the residence and social law regulations for international students in a detailed and clearly structured manner. The target group is primarily the advisers in the Studenten- and Studierendengeräte as well as in the universities. On 152 pages, the regulations are explained in a comprehensible manner using numerous examples and extra notes on the Corona pandemic. The appendix provides templates for practical use: a guide for advisors and a tabular overview of benefit entitlements. A list of abbreviations and a bibliography complete the compendium. ► **With current extra chapter: “Brexit and its impact on citizens of the United Kingdom of Great Britain and Northern Ireland”**
